Dear Bob:

We are most pleased with your recommendation to establish eight panels joining the competencies of our respective organizations. Your proposed agreement to guide this panel activity is excellent. I am returning the signed copy to you.

Now that we have a firm frame of reference I have asked Don Chamberlain and Carl Duckett to nominate appropriate CIA personnel to sit on the panels. They also are drawing up a management procedure. I anticipate that this work will be accomplished during this week and that we then can commence implementation of the agreement. We will forward to you in the very near future the names of our panel participants.

I believe we are off on a well-founded program and we are grateful for your interest and cooperation.

Sincerely,

25X1A
